

Tahoe Tyrol Homes Association Homeowner's Application for Paving blocks or Roofing

Owner's Name: _____ Lot No: _____ Site Address: _____

Date: _____

IMPORTANT NOTE: Prior to preparing this application, Owner should read the architectural control requirements outlined in Article 9 of the Tahoe Tyrol Homes Association's Second Restated Declaration of Covenants, Conditions and Restrictions (CC&Rs) pages 24-30.
All approvals valid for one year.

The Homeowners Association has authorized that specified paving blocks may be used to replace existing walkways and driveway areas. The paving stone design is BASALITE's Classic 60mm interlocking pavers which is available in 3 stock color combinations. The entire cost of materials and installation shall be borne by the homeowner. Installation must conform to manufactures guidelines and applicable local codes. The completed installation including any portion that extends onto common areas must be maintained in a safe and attractive condition by homeowner. Submission of these forms constitutes homeowners acceptance of these terms and conditions. For detailed product information, call BASALITE at 1-800-266-3670.
